

# Coloray

Eco-LED™ series

Architectural highlights in LEDs

**Features:**

- Coloray is a compact LED spotlight perfect for indoor or outdoor use
- Spotlights emit any colour via full DMX control using a remote control
- Can fulfill any architectural or lighting designs with ease
- Power requirement 12VDC / Power consumption : 18W to 48W max at full intensity
- Compatible driver: Coloray Driver 45 (CD-45)
- 25,000 hour life span on one colour at full power, estimated 100,000 hours when colour changing
- First grade aluminium housing in black finish with IP65 rating

CS-18

CD-45 is designed for CS-18/36 and CL-18/36 LED fixtures. Each CD-45 can drive 1 x CS-36 /CL-36 or 2 x CS-18/CL-18. This system not only communicates with any DMX controller, but also can be run by built-in functions. This intelligent driver is equipped with stand-alone mode and master/slave functions. Fade and chase effects can be created easily by the infrared remote. The last program will be memorized automatically by the system. Coloray is a very cost effective system perfect for any lighting project.
